Docket No. 98N-1265
Food and Drug Administration
5600 Fishers Lane
Rockville, MD. 20857

I OPPOSE THE DRAFT M.O.U. being proposed by the FDA. In particular, I OBJECT to the definition of "inordinate amount" which restricts the availability and the right to obtain medically necessary compounded medications by limiting the number of prescriptions that can be shipped across state lines from specialized compounding pharmacies.

COMMENTS: The services and help that I
have received from Madison Pharmacy
was not available anywhere else. My
symptoms with menopause are so severe
that they are debilitating & the prescription
which is compounded for me is the
only thing which has helped me.
The information & services they provide
are invaluable to me.
